

Steering Committee:  
February 17, 2009

Jo Mejia is the new Assistant Chief for Verde Valley Ambulance. She is currently working along side with Chief Longfellow until he retires. Chief Longfellow does not have an anticipated departure date yet. After Chief Longfellow retires Jo Mejia will take over as Chief for VVAC. Jo will be creating a shift calendar of her working days soon. Cell phone number and email addresses were exchanged. Welcome back Jo Mejia

Verde Valley Medical Center has received their Cardiac Arrest Center Accreditation. After completing an application process that included creating new EMS and ED/ICU protocols VVMC received their certification on February 1, 2009. There have already been a few patients that suffered Out of Hospital Arrest that received CCR, had a return of spontaneous circulation and then induced hypothermia initiated.

Dr Burns was not able to attend the meeting due to schedule conflicts. Run Review tonight is Meet and Greet with Dr Burns.
